ABOUT OUR ACADEMY

A Brief Story About The Academy

Alliance Defence Training Academy is one of India's leading defence coaching institutes, dedicated to preparing young aspirants for NDA, CDS, AFCAT, and SSB Interviews. Located in the heart of Dehradun, the city known as the "Defence Education Hub of India," ADTA focuses on transforming students into confident, disciplined, and result-oriented future officers of the Indian Armed Forces. At ADTA, our mission is simple – to turn dreams into uniforms. With a team of highly experienced defence experts, ex-servicemen, and SSB assessors, we provide complete guidance, from written exam preparation to SSB interview training. Our result-driven approach, physical training sessions, mock interviews, and leadership development programs ensure that every cadet grows mentally, morally, and physically strong. We believe that discipline, dedication, and determination are the pillars of success, and at Alliance Defence Training Academy, we live by them every day. Join us and take the first step toward your dream of wearing the prestigious uniform of the Indian Army, Navy, or Air Force.

VISION

At Alliance Defence Training Academy, our vision is to empower aspiring defence candidates with the skills, discipline, and confidence required to succeed in the Indian Armed Forces. We aim to create a dynamic training environment that promotes leadership, strategic thinking, and a deep sense of national duty. Alliance Defence Training Academy is committed to delivering result-oriented coaching for NDA, Foundation, NDA, CDS, and SSB through personalized mentoring, rigorous physical training, and strong academic foundations. We envision an academy where determination meets direction, transforming potential into performance. Our mission is to develop courageous, ethical, and mentally robust individuals who are ready to face challenges, lead with responsibility, and serve the nation with pride and professionalism.

MISSION

To Empower Future Officers

Our mission is to empower young aspirants with the knowledge, confidence, and leadership qualities required to join the Indian Armed Forces. We aim to guide every cadet through structured training that combines academic excellence, physical fitness, and psychological strength.

To Provide Holistic Defence Training

We strive to offer complete preparation for NDA, CDS, AFCAT, and SSB interviews, ensuring every student receives individual attention, expert mentorship, and real-time assessment from experienced defence professionals and ex-servicemen.

To Instill Discipline and Character

At ADTA, we believe that discipline is the foundation of success. Our mission is to shape individuals with integrity, dedication, and moral courage—qualities that define a true officer and a responsible citizen of India.

To Serve the Nation through Education

We are committed to nation-building through defence education. By inspiring the youth to choose a life of service and sacrifice, ADTA aims to create future leaders who protect the nation with honour and lead with purpose.

OUR COURSES

01 NDA (National Defence Academy)

Alliance Defence Training Academy offers India's most result-oriented NDA coaching in Dehradun, designed to help aspirants crack both NDA Written Exam and SSB Interview in one go. Our expert faculty of defence professionals, ex-officers, and subject experts focus on concept clarity, current affairs, and time management. We provide weekly tests, doubt-clearing sessions, and physical training to ensure all-round readiness. Join ADTA and march confidently towards your dream of becoming an officer in the Indian Armed Forces. NDA coaching in Dehradun, best NDA institute in India, NDA written and SSB coaching.

02 SSB (Services Selection Board) Interview Coaching

Our SSB Interview training program is designed and guided by ex-SSB assessors and defence psychologists. The course includes OIR, PPDT, GTO Tasks, Personal Interview, and Psychology Tests with daily feedback and personality grooming sessions. We prepare candidates not just to "face" the SSB — but to excel as leaders with confidence and clarity. Best SSB coaching in Dehradun, SSB interview preparation, top SSB academy in India.

03 CDS (Combined Defence Services) Coaching

Alliance Defence Training Academy provides comprehensive CDS coaching in Dehradun for graduates who aspire to join the Indian Army, Navy, and Air Force through the UPSC CDS Examination. Our result-focused program covers English, General Studies, and Elementary Mathematics, supported by mock tests, previous year paper analysis, and SSB interview guidance. CDS coaching in Dehradun, best CDS institute in India, UPSC CDS preparation.

04 AFCAT (Air Force Common Admission Test) Coaching

For students dreaming to join the Indian Air Force, Alliance Defence Training Academy offers structured AFCAT coaching focusing on aptitude, reasoning, English, and general awareness. Our interactive classroom sessions, online test series, and Air Force-oriented personality development training make students ready for both the AFCAT exam and AFSB interview. OUR CLASS ROOM

At Alliance Defence Training Academy, our classrooms are not just places of learning — they are training grounds for future officers. Each classroom is designed to promote focus, discipline, and leadership, ensuring every cadet gets the best environment to grow academically and mentally. We use modern teaching technology, including smart classrooms, audio-visual lectures, and digital assessments, to make learning engaging and effective. Our experienced faculty — a blend of ex-defence officers and subject experts — ensure that every concept is understood with clarity and purpose. Each batch maintains a limited strength, allowing for personal attention, interactive sessions, and one-on-one mentorship. Regular doubt-clearing classes, motivational talks, and mock tests keep students confident and exam-ready. At ADTA, the classroom is more than just four walls — it's where discipline, dedication, and dreams come together to create future leaders of the Indian Armed Forces.

Modern Smart Classrooms – Technology Meets Training

Alliance Defence Training Academy integrates technology with tradition through state-of-the-art smart classrooms equipped with audio-visual aids, projectors, and digital boards. These modern tools make learning interactive, visual, and effective, helping students understand complex defence concepts with ease. Our smart classrooms are designed to simulate real-time defence scenarios, making lessons more engaging, analytical, and goal-oriented.

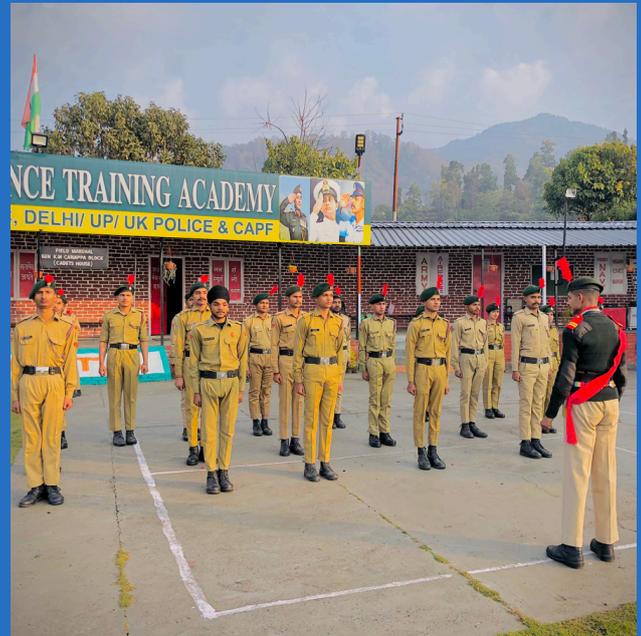

Interactive Learning Environment – Beyond Books

Learning at Alliance Defence Training Academy goes far beyond textbooks. Our classrooms foster interaction, teamwork, and confidence, ensuring every cadet participates actively. With doubt-clearing sessions, mock tests, personality development classes, and motivational lectures, we prepare students not just for exams but for life as leaders. This interactive system encourages cadets to think critically, act decisively, and communicate effectively — the true traits of a future officer.

Alliance Defence Training Academy (ADTA) proudly stands as India's first defence academy to provide integrated NCC (National Cadet Corps) training along with NDA coaching.

This unique combination gives our cadets a real defence environment, helping them develop leadership, teamwork, discipline, and patriotism — the true qualities of a future officer. Through regular NCC drills, parade sessions, and personality grooming, students experience military life while preparing academically for the NDA written exam and SSB interview. This dual training approach ensures that ADTA cadets are physically strong, mentally sharp, and emotionally ready to join the Indian Armed Forces. At ADTA, we don't just coach for exams — we create leaders in uniform.

Alliance Defence Training Academy (ADTA) proudly introduces India's first integrated "NCC + NDA Coaching Programme" — a visionary initiative that combines academic excellence with real defence experience. This programme is designed for young aspirants after Class 10th and 12th who dream of joining the Indian Armed Forces and want to begin their preparation early, under the guidance of ex-defence officers and NCC trainers.

Develop officer-like qualities (OLQs) from a young age. Build confidence, communication skills, and leadership. Experience the discipline and routine of defence life. Gain NCC certificates (A, B, C) which add value to NDA and SSB selections

Programme Highlights

- Daily NDA academic sessions (Maths, English, GAT) with expert faculty.**
- Regular NCC training, parade, and drills under certified NCC instructors.**
- Physical fitness training, obstacle courses, and morning PT sessions.**
- Personality development & SSB guidance by ex-SSB assessors.**
- Participation in NCC camps, social service, and adventure activities.**
- Complete grooming of mind, body, and character for defence service life.**

LIBRARY

The library at Alliance Defence Training Academy is a hub of knowledge and preparation, designed to strengthen the academic foundation of defence aspirants.

It offers a well-organized collection of study materials for NDA, CDS, AFCAT, and SSB examinations, along with books on military history, leadership development, personality enhancement, and current affairs.

The library provides a disciplined, peaceful atmosphere that encourages focused study and intellectual growth. Equipped with modern seating arrangements, reference materials, and updated defence-related publications, it supports both individual learning and guided preparation. Regular access to newspapers, journals, and defence magazines ensures that cadets stay informed and aware of evolving national and international scenarios.

At Alliance Defence Training Academy, the library is not just a place to study—it is a training ground for the mind, shaping confident, knowledgeable, and mission-ready future officers.

HOSTEL

At Alliance Defence Training Academy, our hostels are designed to provide cadets with a safe, disciplined, and comfortable living environment, essential for nurturing future officers of the Indian Armed Forces.

Our hostel facilities include:

Spacious, well-ventilated rooms with comfortable bedding.

Separate arrangements for boys and girls with strict security protocols.

Mess facilities providing healthy, nutritious, and balanced meals to support physical fitness and mental alertness.

Recreational areas and study zones for relaxation and focused learning.

24/7 security and staff supervision, ensuring safety and discipline at all times.

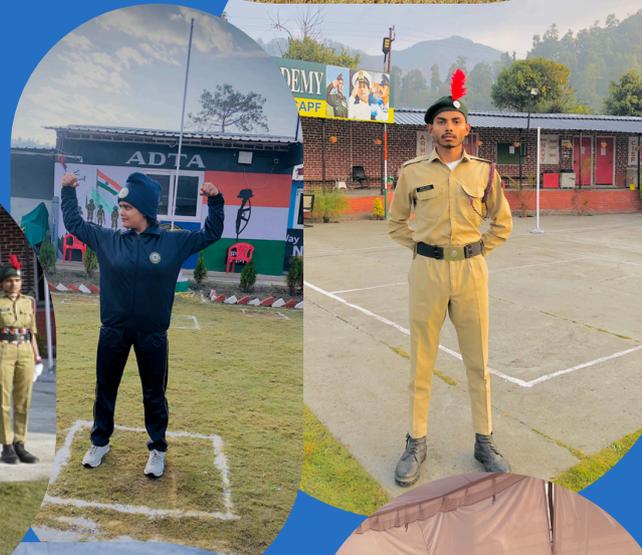

ACTIVITIES

At Alliance Defence Training Academy, we believe in the overall development of cadets. Alongside defence training, we encourage participation in cultural, creative, and leadership activities that build confidence and teamwork.

Key Cultural Activities at ADTA:

Debates and Group Discussions – Enhancing communication and critical thinking. Quiz Competitions – Building general knowledge, analytical skills, and quick decision-making. Drama & Theatre – Boosting confidence, expression, and public speaking. Music & Singing – Encouraging creativity and emotional expression. Dance & Cultural Performances – Promoting teamwork and self-discipline. Art & Painting Competitions – Developing imagination and aesthetic sense. Personality Development Workshops – Focusing on grooming, confidence, and leadership. Annual Cultural Fests & Social Activities – Fostering camaraderie, patriotism, and social responsibility.

At DMA, cultural activities are an integral part of training, ensuring that every cadet is not only academically and physically prepared but also socially confident and creatively inspired.

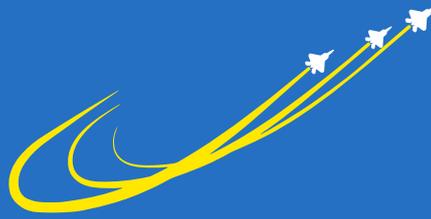

SPORTS

At Alliance Defence Training Academy, (ADTA), sports are not just a part of the curriculum—they are a way of life. Our academy offers a wide range of sports activities including football, basketball, volleyball, athletics, boxing, and horse riding to build leadership, teamwork, and physical endurance among cadets. Regular inter-house tournaments, obstacle courses, and fitness drills ensure that every cadet develops the strength, agility, and discipline required for NDA, CDS, and SSB preparation. ADTA's sports facilities are designed to meet military standards, helping cadets stay mission-ready and confident. Join Dehradun Military Academy, where we train both the mind and body to create future defence officers of India.

SSB Mentors

At Alliance Defence Training Academy (ADTA), we take immense pride in being guided by a team of legendary defence mentors who bring decades of experience, discipline, and leadership to our training environment.

At the heart of Alliance Defence Training Academy (ADTA) stands Mr. Sachin Sharma, a visionary leader and mentor dedicated to shaping India's next generation of defence officers. With a deep understanding of military education and a mission to instill discipline, determination, and patriotism among cadets, he has built DMA into one of the best NDA and SSB coaching academies in India. Under his leadership, the academy focuses on holistic development—balancing academics, physical fitness, and personality enhancement. His unwavering commitment and passion for youth empowerment inspire every cadet to dream big and serve the nation with pride. Brigadier G.S. Sisodia (Retd.), a distinguished officer with years of command and field experience, leads our academy with a vision to nurture cadets into confident and capable officers. His leadership and strategic insight inspire every cadet to uphold the highest military values. Colonel Ajay Verma (Retd.) brings his expertise in military training, personality development, and SSB guidance, ensuring cadets develop both physical strength and mental sharpness required to succeed in the NDA, CDS, and SSB. Group Captain Amitabh Rai (Retd.), from the Indian Air Force, mentors our cadets with a focus on discipline, precision, and motivation—qualities that define a true defence aspirant.

Together, these mentors form the backbone of Alliance Defence Training Academy, shaping future warriors through real-life military experience, moral guidance, and a passion for service to the nation.
